

Date: November 23, 1995

SUBJECT: NELSON PARK LAND USE STUDY

RECOMMENDATION

THAT the Board advises Council of its preference for the Option 1 Heritage (Recommendation B1), and that the Board is prepared to accept the Revitalization Option (Recommendation B2). Either choice is subject to the Board and Council reaching a satisfactory arrangement on compensation.

REPORT

The attached [Policy Report](#) entitled "Nelson Park Site Land Use Study Report", dated November 23, 1995, explains in detail the history and options available to the Board and Council for the resolution of this longstanding issue.

The above resolution will enable the matter to be resolved by City Council without potentially creating a jurisdictional stalemate.
