Subject: Award of Contract - Park Drive Reconstruction Phase 3

RECOMMENDATION

A. THAT the Board award contract T2000-09 to Grandview Blacktop Ltd. for the 2000 Park Drive Reconstruction for the tendered price of \$417,141.00.

B. THAT the source of funds will be the 2000 Basic Capital Budget and that interim funding, if required, will be the New Brighton Park Capital Budget.

C. THAT no legal rights shall arise hereby, and none shall arise until execution of the contemplated contract. The Board may rescind this resolution at any time up to the execution of the contemplated contract.

POLICY

The Board awards construction contracts over \$200,000 to the lowest qualified bidder.

BACKGROUND

Several sections of Park Drive are poorly constructed and well beyond their life expectancy. This is part of a multi-year program to completely reconstruct these sections. Phases 3 includes the reconstruction of approximately 405 meters of Park Drive roadway located between Second Beach Pool and a point near the Stanley Park Lawn Bowling Club.

Phase 3 will begin as soon as possible and all major construction will be completed prior to the May 21 long weekend.

DISCUSSION

2000 Basic Capital Budget funds are being allocated for the reconstruction of portions of Park Drive in Stanley Park. It is anticipated that City Council will approve this budget in May 2000. As an interim source of funding, the New Brighton Park Capital Budget has sufficient funds to cover any expenses for this project and no significant expenditures are anticipated in the New

Brighton Park project prior to approval of the 2000 Basic Capital Budget by Council.

The tender was advertised and 6 bids were received. The bids are summarized below.
