### PROJECTS COMPLETED IN VANCOUVER, BC

- May 1999 **Fraser Academy School for Children with Dyslexia - Vancouver BC.** Arranged repaving of the playpad, demolished and reconstructed the boys and girls change rooms and shower areas. We renovated the Home Economics and Science classrooms and rebuilt a new library. We increased space utilization by rearranging the study rooms and the computer lab. We completed inside painting, outside murals, landscaping, and rebuilt a suitable location for a future play structure. We completed and upgraded both the HVAC and computer networking telephone systems.
- May 1998 **Boys' and Girls' Clubs of Greater Vancouver - Kimount - Vancouver BC.** Interior and exterior painting, landscaping and beautification. Installed a new roof and completed interior renovations, including electrical work for their sports equipment shed. Upgraded kitchen to commercial standards. We helped create a West Coast Native-theme mural that hangs in full glory in their gymnasium.
- May 1997 **St. James Community Square - Vancouver, BC.** Renovated office space. Painted hallways and common areas. Pressure washed outside of building. Landscaping and beautification including brick walkways and shrubs. Painted an excellent mural in children's play area. Upgraded building electrical and safety lighting. Installed fire door frames for future completion.
- May 1996 **Queen Alexandra Elementary School - Vancouver, BC.** Built a fantastic playground. Painted murals and constructed benches and planters. Many children with the help of adults built colorfully painted bird houses. Coordinated a large scale block clean-up around the school.
- May 1995 **Kenneth Gordon School - Burnaby, BC.** Painted entire interior and exterior. General landscaping including the creation of a memorial park. Constructed boardwalks, installed swings and a basketball hoop. Built picnic tables and park benches. Prepared a foundation for a portable classroom. Dug drainage ditches and installed new drain tile for entire playing field. Installed chain link fencing. Rebuilt the entire staff room. Added a wheelchair ramp to the main entrance of the school. Laid new carpeting and bookshelves in library. Painted a mural. Added new bulletin boards and erected a donor board.
- May 1994 **Downtown Eastside Missions / Drop-in Centres - Vancouver, BC.** Repaired floors, walls and ceiling tiles. Painted, cleaned and built shelves. Installed cabinets, carpeting, drywall, and drop ceiling and lighting. Framed doors and windows along with extensive general repair work. Created signage and power washing was done to enhance this corner of the Downtown Eastside. Created and painted colorful and uplifting mural.
- May 1993 **George Vanier Elementary School - Surrey, BC.** Extensive brush clearing and landscaping. Installed a new play structure and fences around the perimeter. Created and painted murals, built picnic tables and benches. General repair work was done and 3,500 + seedlings were planted.
- Maplewood Children's Farm - North Vancouver, BC.** Demolished an old barn and reconstructed a new, large livestock barn. Built a "Rabbitat" and "Peacock Palace". Built covered picnic kiosks and tables. Created and painted murals. Landscaped, resurfaced paths and general repair work was completed.

- May 1992 **General Brock Elementary School - Vancouver, BC.** Demolished an old playground and reconstructed a new adventure play structure. Two huge murals were painted. Benches and flower boxes were constructed and many trees and flowers were planted. General landscaping. The dramatic effect has been reflected on the school by increased parent participation and decreased transfers to other schools districts.
- May 1991 **Tynehead Elementary School - Surrey, BC.** Volunteers moved and re-assembled an intermediate level adventure playground. Garden plots and benches were created and trees planted. Created the most beautiful mural in the history of ICSD.
