Dear Ms. Mundick:

Re: False Creek Community Centre Expansion Project

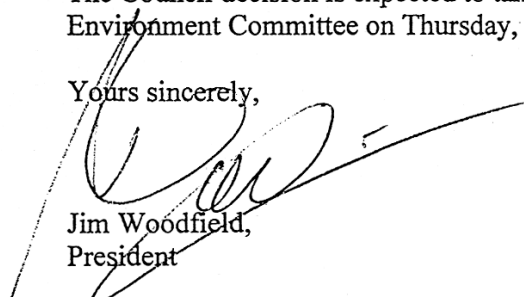

The False Creek Community Association hereby confirms that it will contribute up to \$440,000 towards the cost of the above project.

The project is ready to go to tender, and we are ready to proceed subject to City Council approving the allocation of all or part of a Community Amenity contribution of \$850,000 from the Holiday Inn, Broadway.

If Council accept the Staff recommendation that \$475,000 be allocated to False Creek, this will cover the present shortfall in funding. Should Council agree that we should receive the full amount, it would be allocated to the project, enabling us to add the heating and ventilation upgrade recommended in an engineering study, and releasing Association funds for equipping the new facility, other upgrades, and the expansion of our Childcare programs.

The Council decision is expected to take place at the meeting of the City Planning and Environment Committee on Thursday, 30 January 2003.

Yours sincerely,

Jim Woodfield,
President
