## Stanley Park Road Closures

The following existing annual events result each year in a morning road closure for Stanley Park. Historically, traffic closures in Stanley Park have been limited to once a month between 6am - 10am during the months of April, May, June and September. No closures have been permitted during July and August. Staff will work closely with event organizers to inform all Park stakeholders in advance of these dates.

City street road closures will delay access to Stanley Park.

Race route starts on Georgia St., turns left onto Denman, right onto Lagoon Drive and into Stanley Park along the road beside the Park Administration Building and exits via the English Bay entrance.
