**TO: Board Members – Vancouver Park Board**  
**FROM: General Manager – Parks and Recreation**  
**SUBJECT: Green House Gas Reduction - Park Board - Update**

---

## RECOMMENDATION

*THAT the Board receive the attached Council report dated June 24, 2008 for information.*

## BACKGROUND

The City and Board are committed to reducing green house gasses and in 2007 the Board and Council approved an \$8.6 million contract to install energy saving features in 30 existing Park Board buildings. Projected green house gas savings are 2240 tons of CO<sub>2</sub>.

As part of the approvals, staff committed to report back on the progress of the project.

The project is on schedule and on budget and the details are contained in the Council report.
