

# TGVI Annual Report & Corporate Sponsorship Fund Request

Park Board Committee Meeting  
October 24, 2016

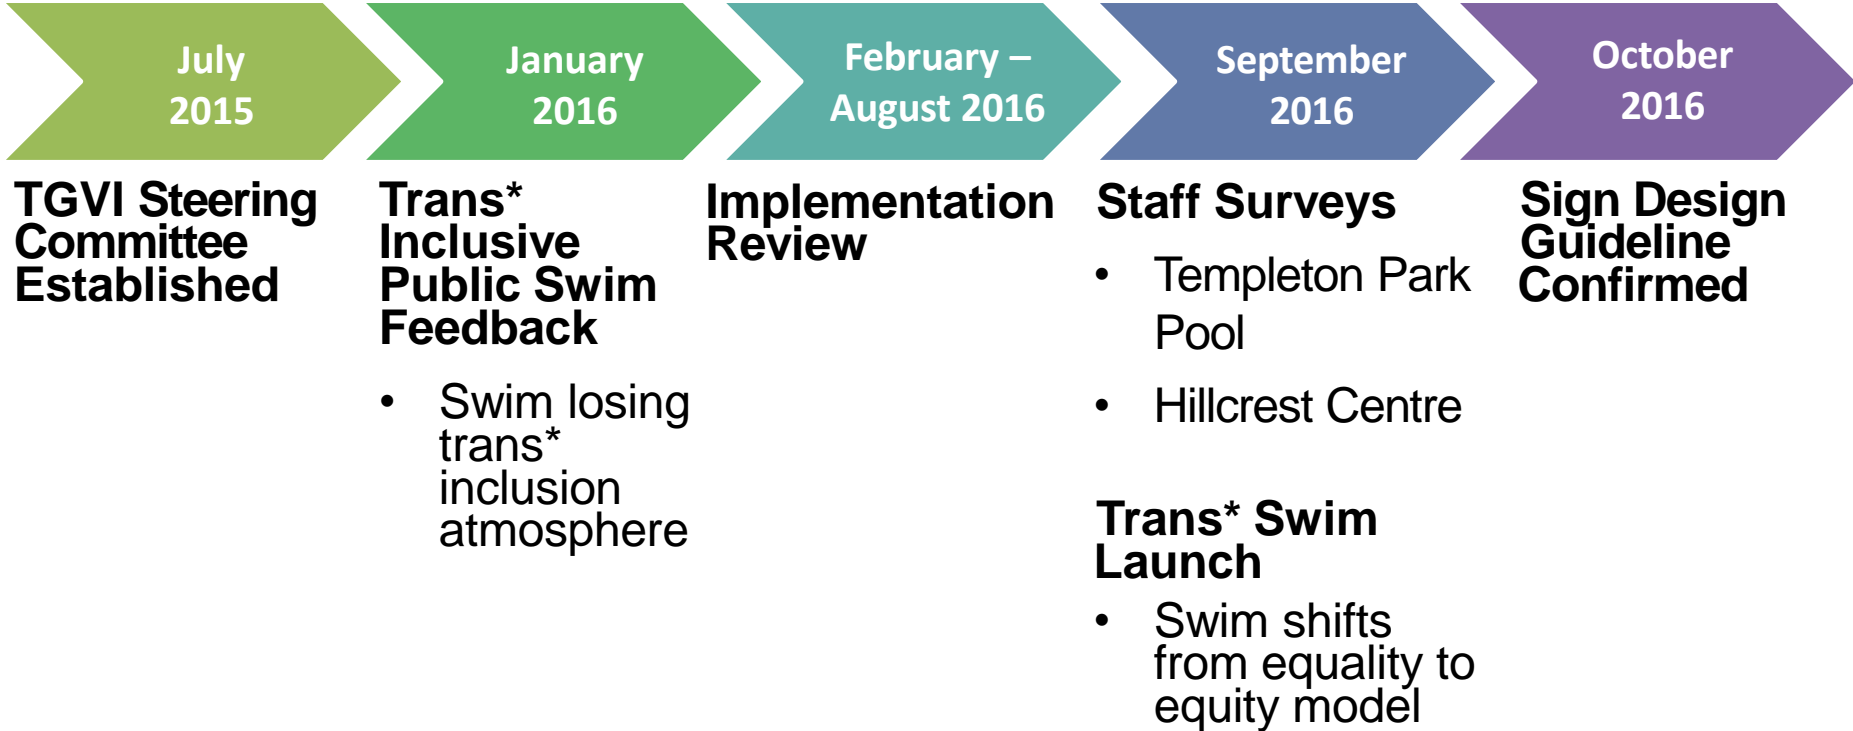

**“Since she’s transitioned, she’s just blossomed. It’s a beautiful thing to see your child be true to who they are.”**

# Purpose of this Presentation

To provide update on the Trans\* & Gender Variant Inclusion steering committee, and seek Board approval for the contribution of \$50,000 from the Corporate Sponsorship Fund to support the completion of the implementation of recommendations from the report “Building a Path to Parks and Recreation for All.”

## TGVI Steering Committee

- Addressed specific needs of Trans\* that were of benefit to all
- Focus on opportunities for integration while addressing unique TGVI barriers
- Selected two priority locations to pilot (Hillcrest & Templeton)

## Identified Priorities for Year 2

- Public spaces
- Human resources training and policies
- Programming
- Signage and literature
- Collaborative public and community partnerships

## ■ Objectives

- Safe and welcoming for trans\* people
- Encourage more trans\* people to access recreation
- Build community and confidence

## ■ Revised Programming

- Trans\* Inclusive Public Swim → Trans\* Swim
- Healthiest Winner → All Body Community Fitness Group

## ■ Signage Guidelines

- Replaced gendered icons with text (Men, Women, Universal)
- Add functional icons (toilet, shower, accessible, change table)
- Trans People Welcome, increase font size and place along lower edge of sign
