MOVED by Commissioner Shum
SECONDED by Commissioner Mackinnon

Final motion as amended:

WHEREAS:

1. Community Centre Associations are essential to the success of a Community;
2. To have representation of the community where Park Board, City of Vancouver, Province of British Columbia and Federal Levels of Government are able to collaborate on initiatives to better serve the neighbourhood efficiently and cost effectively;
3. Community Centre Associations help Park Board to facilitate public consultation and recommendations to engage residents of Vancouver at a grassroots level;
4. The Park Board has a historical jointly operated agreement relationship with Community Centre Associations and understands that Community Centre Associations foster direct involvement with individual communities, which contributes to the success of each community centre.

THEREFORE BE IT RESOLVED:

- A. THAT the Park Board Commissioners direct staff to initiate a process to promote, advertise and encourage members of the community to be involved in forming a Community Centre Association for the Vancouver Board of Parks and Recreation's Creekside Community Recreation Centre; and
- B. THAT a new Community Centre Association not be offered an agreement with the Park Board until the new JOA currently under development by the Vancouver Park Board is approved.
