Clinton Park	June 2018	January 2019
Lumberman's Arch (Stanley Park)	September 2018	2019
Third Beach (Stanley Park)	September 2018	2019

Clinton Park

On WATER

- Mid-March: Round 2 of the public engagement process completed; 942 participated in the online survey
- Late May: Final round of public engagement

May 2018:

- Staff will meet with Tsleil-Waututh technical team to ensure indigenous design principles are reflected in the revised concept design
- Staff will host a workshop with the Chinatown community to present new park identity & explore programming options in the revised design of the Andy Livingstone Park

Online tree sales will go live May 1, 2018 with pick up events on May 12 & 13

April 15, 2018 – Due date for applications for community projects that supported neighborhood-based groups to make creative improvements related to local food, stewardship, or art on public land.

March 8, 2018 – approximately 200 people attended an open house about the proposed location for the interim skate park to replace the Downtown Plaza Skate Park under the Georgia viaducts

Stanley park pathway section along the North side of Lost lagoon has had drainage/flooding issues. Stanley park operations extensively raised and refinished the pathway to improved Winter/Spring access. The process also involved improving drainage under the pathway to stop pooling and allow water to move from the Northside into the lagoon.

The Park Board Community Workers, in partnership with local youth, have organized several events to celebrate the BC Youth Week held annually during the first week of May.

- Skate Event
- Basketball Tournament
- Multicultural Carnival
- Movie Day
- Eco-friendly Night Market
- Scavenger Hunt
- Music Lessons
- Youth Dance

April 17/18 - Council will be receiving a report on the Cambie Corridor – Phase 3 which is the final phase of a comprehensive three phase planning program.
