June 26, 2023	Sunset Beach Dog Park Expansion - Feasibility	Commissioner Bastyovanszky	Following a community petition for the expansion of the Sunset Beach dog park, can staff advise on the feasibility of this expansion?	<p>The Imagine West End Waterfront Plan (WEWP) will create a long-term vision for the West End's waterfront parks, beaches, facilities, and surrounding transportation network. The Sunset Beach Off-Leash Area (OLA) is located in the WEWP study area. Staff are aware of the petition to expand the Sunset Beach Dog Park, and it is being considered as part of the overall public feedback received through the past two rounds of engagement.</p> <p>Any modifications to this existing OLA and feasibility to implement will be assessed through the WEWP design process so that impacts to all park users are taken into consideration, together with the guidance set in the Park Board's People, Parks and Dogs strategy and Coastal Health requirements to separate dog and human swimming areas. An update on the WEWP is targeted for this fall, prior to a third round of public engagement. The WEWP is targeted for a Board decision early in 2024 so that implementation of priority projects can begin.</p>
