

Date: October 19, 1995

SUBJECT: Golf Course 1996 Fees Amendment

RECOMMENDATION

THAT the 1996 Fees and Charges Schedule as outlined in the Board report dated October 11, 1995, be amended for twilight golf rates as indicated in this report.

DISCUSSION:

Since the initial report was circulated staff have gathered further information on comparative twilight rates at other public golf courses. It has been determined that our fees are at the low end of market and it is recommended that they be increased at a higher rate than inflation for 1996 and be fully reviewed again at the end of the year.

Comparative rates and the recommended new fees are attached to this report. This information will be posted at Fraserview and Langara golf Courses immediately in order to advise patrons of the courses.
