To - Captain Gordon Houston,
Vancouver Port Authority:

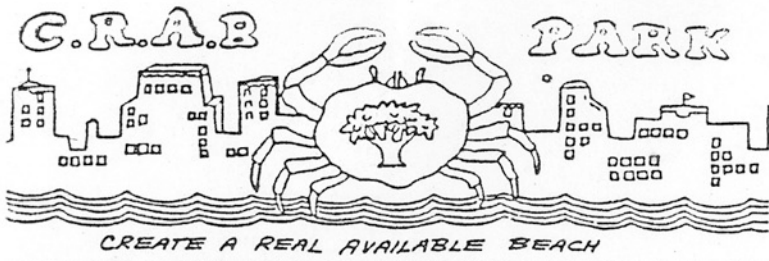

July 12/03.

Thanks for honoring our request for a change, or amending of the name - "Portside Park".

The new name, - "C.R.A.B. Park at Portside" acknowledges the hard work, at the community level, that our 21-year old society put into achieving this 7-acre waterfront park.

We hope that this park will remain a place that is welcoming of our low-income Downtown Eastside community, in the future.

Truly,
Don Larson,
organizer.

To - Joyce Courtenay,
Vancouver Parks Board,

July 16/03.

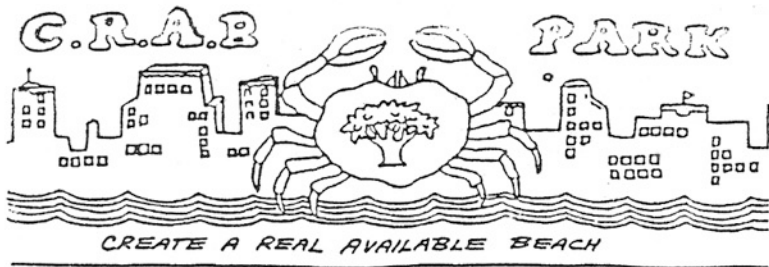

rename park / ceremony -

I'm hoping that there could be a formal ceremony with the re-naming of "Portside park", to - "C.R.A.B. Park at Portside".

The Vancouver Port Authority came up with this name, at a request for a rename from our group.

The parks board commissioners apparently will not deal with this issue, until perhaps, September 8TH. It would be good to move things along, so that any ceremony could be done in good weather. We would like to be invited to participate at any ceremony, as we are the group who got the park.

Truly,
Don Larson.

TO - Champion Leather Deal, July 16/03.
Vancouver parks board:
re - rename of Park

Could you please keep the renaming of
"Crab Park at Portside", from, "Portside
Park", - moving forward in process.

The Vancouver Port Authority gave their
blessings on the new name of this central
waterfront park - posted - June 23-03.

I'm disappointed it couldn't have been
an item for the parks' July meeting.

Could you see that the park name
issue be placed, then, on the Sept.
8th, Parks' meeting?

Truly,

Don Larson.
