Dear Commissioners:

We have been approached by Mr. Don Larson, on behalf of the Create a Real Available Beach Society (C.R.A.B.) requesting our consideration of a proposal to rename Portside Park to "C.R.A.B. Park at Portside".

We are amenable to this request, subject to your advice and direction.

If you are in agreement with this proposal, we would appreciate the opportunity to work with your staff on the implementation of the name change.

Yours truly,

Capt. Gordon Houston
