**TO: Board Members – Vancouver Park Board**  
**FROM: General Manager – Parks and Recreation**  
**SUBJECT: International Village Payment In Lieu**

---

## **RECOMMENDATION**

*THAT the Board endorse the recommendation in the attached City Council report, entitled International Village - Payment In Lieu, dated January 28, 2008.*

## **POLICY**

The Board approves all capital expenditures.

## **BACKGROUND**

The attached City Council report recommends a reallocation of funding earmarked for the creation of a community centre space in the International Village development, to the restoration of the artificial fields at Andy Livingstone Park and an expanded child care facility.

## **DISCUSSION**

Staff is recommending approval of the above since it accomplishes a significant Board priority, it acknowledges the Board's interest in the child care portfolio, and it maintains a positive relationship between the City and the Board and a multitude of jointly funded projects.
