TO: Vancouver City Council

FROM: Director of Finance

SUBJECT: 2008 Operating Budget - Final Estimates

#### RECOMMENDATION

THAT Council approve the budget resolution attached as Appendix 2 thereby adopting the final 2008 Operating Budget with a property tax increase of 1.23%.

#### **CITY MANAGER'S COMMENTS**

The City Manager RECOMMENDS approval of the foregoing.

If Council is to make changes to the in-principle approvals made on April 1, 2008, as a result of the evening public meeting on April 9, 2008, the Director of Finance will resubmit the Final Estimates Report on April 17, 2008 to reflect Council's final direction.

#### COUNCIL POLICY

The Vancouver Charter requires the Director of Finance to present the estimates of revenues and expenditures to Council no later than April 30 each year and for Council to adopt a resolution approving the budget and a rating bylaw establishing general purpose tax rates as soon thereafter as possible.

There are five reports in the 2008 budget process:

- The *Operating Budget Schedule and Public Consultation Options Report* seeks direction from Council on the budget schedule and the public consultation program.
- The *Target Property Tax Increase Report* provides Council with the first indication of the cost of maintaining existing service levels and the additional funding requests from

Departments and Boards and seeks direction from Council on an acceptable level of property tax increase for planning purposes.

- The *Interim Estimates Report* provides the results of the detailed administrative reviews and summarizes the budget strategies to meet the target property tax increase.
- The *Interim Estimates Update and Public Consultation Results Report* provides the results of the budget consultation and an update on the budget estimates.
- The *Final Estimates Report* presents the final revenue and expenditure estimates which are based on the recommendations and amendments that Council approved in-principle on April 1, subject to public input on April 9. The *Final Estimates Report* is accompanied by a resolution in which Council adopts the estimates for the year.

# PURPOSE

The purpose of this report is to have Council approve the budget resolution included in Appendix 2 in order to adopt the final revenue and expenditure estimates based on the direction provided by Council on April 1, 2008.

## BACKGROUND

On April 1, 2008, Council considered the *2008 Interim Budget Estimates Update and Public Consultation Results Report* and approved in-principle all the recommendations, subject to public input on April 9, 2008. Two amendments were made by Council to the Vancouver Police funding requests:

- With regards to the approval of 48 patrol officers (RECOMMENDATION C i): Funding to be reduced by any federal government contribution that would finance the deployment needs in the Administrative Report Vancouver Police Department Operational Review dated December 5, 2007.
- With regards to the Chief Constable, in consultation with the Police Board and the City Manager, reporting back to Council on a full review of the deployment strategy after one year of implementation of the recommendations (RECOMMENDATION C iv), *including an update on how new initiatives such as Project Civil City contributions, strategies around supporting people with mental illness, the returnable warrants program (ConAir), have also had an impact.*

As a result of these in-principle approvals, Council instructed the Director of Finance to bring the 2008 Operating Budget into balance with a general purpose tax increase of 1.41% which includes:

- 2.32% tax reduction related to the one-time 2007 work stoppage savings of \$11.8 million;
- 0.28% tax increase related to the cost of outside agencies;
- 2.14% tax increase to maintain existing services, including the Park Board Global Budget of \$59,339,100, which includes an increase of \$444,600 for operating costs of new and expanded facilities and one-time adjustments; (The Park Board Global Budget will be increased to include a budget of \$296,000 for new and non-recurring items.)
- 0.56% tax increase for non-Police funding requests (\$2.8 million); and
- 0.75% tax increase for Police funding requests (\$3.8 million).

Council also approved on March 13, 2008 a 1% redistribution of the property tax levy from the non-residential property class to the residential property tax. Based on the Interim Estimates, this represented a 2% increase for residential properties and a 1.9% reduction for non-residential properties, resulting in a net 3.41% increase for residential properties and a net 0.49% reduction for non-residential properties.

# DISCUSSION

### 1. Final Budget Position

Based on the direction provided by Council on April 1, 2008, staff has worked to bring the budget into balance within the property tax guidelines approved by Council.

Subsequent to the *Interim Budget Estimates Update and Public Consultation Results Report*, the Revised Roll received from the BC Assessment Authority on April 1, 2008 resulted in a further increase of \$0.78 million in new construction revenues; hence reducing the final tax levy from 1.41% to 1.23%.

Appendix 1 reflects the final estimates that include the above adjustment from the Revised Roll and all the recommendations approved in-principle by Council on April 1. The general purposes tax levy has been updated to 1.23% reflecting 0.95% City costs and 0.28% outside agency costs, adding \$6.4 million taxation revenue to the budget.

These adjustments bring the 2008 Operating Budget into a balanced position as follows:

	(\$000)	(\$000)
Revenues		
Taxation Revenue	\$552,222	
General Revenue	177,558	
Utility Fees	144,245

<sup>1</sup>Departmental budgets will be adjusted to include Council approved Corporate adjustments (New and Non-recurring).

1% Property Tax Redistribution <sup>1</sup>	2.13%	(1.93%)
Impact after Property Tax Redistribution	3.36%	(0.70%)

The 2008 property tax components are summarized as follows:

<sup>1</sup>Impact of the 1% property tax redistribution is based on the final tax levy.

#### 2. Impact of the Budget on Property in the City

The table below summarizes the impact of the property tax and utilities increases on residential and non-residential properties valued at \$942,000 (the average valued home in Vancouver based on the Revised Roll received from the BC Assessment Authority on April 1, 2008).

	RESIDENTIAL 3.36% Tax Increase		NON-RESIDENTIAL (0.70%) Tax Decrease

Property Taxes <sup>1</sup>	\$2,357	\$77	\$12,486	(\$88)	
Solid Waste Utility	150	(9)	150	(9)	
Sewer Utility	179	8	186	8	
Water Utility	361	12	347	11	
Total Utilities <sup>2</sup>	690	11	683	10	
Total City Charges	\$3,047	\$88	13,169	(\$78)	

<sup>1</sup>Based on Revised Roll prior to Averaging.

<sup>2</sup>Non-residential properties are charged for utility services based on consumption of services rather than as a flat fee. Water and Sewer charges for these properties increased by the same percentages as residential properties - to calculate impact, assumed average flat water consumption levels. Only 800 businesses receive garbage collection services by the City.

In addition to these City charges, the levies from other taxing authorities may increase. At the time of writing, the City has not been notified of the exact amounts and percent increase.

### 4. 2009 Tax Increase Estimate

Council's decisions from April 1, 2008, along with other known impacts, are anticipated to impact the 2009 property taxes in the range of 4.3% to 5.8%.

	2008 Funding (\$000)	2009 Budget (\$000)	2009 Budget Increase (\$000)	2009 Tax Impact <sup>1</sup>
Non-Police Funding Request	2,848	2,943	95	0.02%
Police Funding Request	3,808	8,183	4,375	0.83%
One-time Efficiencies		3,440	3,440	0.65%
One-time Administrative Budget Adjustments		376	376	0.07%
Opening of # 1 Kingsway (subject to report back)	68	202	134	0.03%
Fuel/Hydro Increases			1,200	0.23%
Cost to Maintain Base Services			\$13,210	2.50%
			to 21,130	to 4.00%
			\$22,830	4.33%
Total			to \$30,750	to 5.83%

<sup>1</sup>2009 Base Taxes at \$528 million based on: 2008 1.23% property tax increase and the inclusion of one-time 2007 work stoppage savings.

Along with the budgetary impacts noted above, property taxpayers will see an artificially higher year over year percentage increase on their tax bill given that the 2008 City of Vancouver General Levy includes \$11.8 million in one-time 2007 work stoppage savings.

#### 5. The Budget Resolution

With approval of the Recommendation in this report, the 2008 Operating Budget will be brought into balance and the 2008 budget cycle completed. Council approval of this final position requires adoption of the budget resolution attached as Appendix 2.

#### 6. Final Steps

On May 1, 2008, the Director of Finance will bring forward a report summarizing the property tax levies, bylaws establishing general purpose and regional district property tax rates and introducing resolutions to adjust tax rates of the other taxing authorities to give effect to the averaging program.

## CONCLUSION

The approval of the attached resolution will finalize the process of balancing the 2008 Operating Budget.
