

The Preferred Option

This proposal is a mix of ideas developed in the iterative process over past months. Significantly, this plan shows minimal additions to the gym side of the building with no reduction in the number of fixtures, and includes relocation of the control point.

MAIN FLOOR PLAN

- | | |
|--------------------------|---------------------------------|
| SYMBOL KEY | LEDGEND |
| ↔ Public entry points | yellow circulation |
| ↔ Service entries | green change rooms/wc |
| △ Exterior views | orange staff and administration |
| * Service control points | blue Lap, Leisure and Hot Pool |
| | grey Service Spaces |
