AMENDMENT MOVED by Commissioner Loke
SECONDED by Commissioner Jasper

Final motion as amended:

WHEREAS:

1. A robust cycling infrastructure is a key component of the City of Vancouver transportation plan;
2. Many bicycle rental businesses operate in Vancouver, particularly in the Stanley Park area and these businesses improve access and enjoyment of Public Parks;
3. The taxpayer subsidized Public Bike Share (PBS) network will significantly detract from the viability of the private rental sector.

THEREFORE BE IT RESOLVED THAT the Park Board affirm its support for staff, and to engage City staff, to work with local bicycle rental businesses in the design and implementation of a public bike share system and the location of rental stations.
