

TO: Park Board Chair and Commissioners

FROM: General Manager - Vancouver Board of Parks and Recreation

SUBJECT: 2016 Fees and Charges - Revenue Services and Parks

RECOMMENDATION

THAT the Vancouver Park Board approve changes to the 2016 Fees and Charges for Revenue Services and Parks effective January 1, 2016, as summarized in the body of this report and detailed in Appendix A.

NOTE: Recreation Services fee changes effective September 2015 were approved by the Park Board in September 2015.

POLICY

The Park Board's policy on user fees and charges is summarized as follows:

- User fees and charges will be levied to recover all or a portion of overall operating costs.
- All fees and charges will be adjusted to accommodate changes in the marketplace and in operating and maintenance costs.
- The General Manager will have the authority to waive or reduce fees and alter fees for services, promotion purposes and to quickly establish fees for experimental services.
- Fees may be reduced for people with accessibility issues and their attendants, families, groups, frequent users, low priority times, promotions and marketing strategies.
- Unless otherwise specified, fees are defined for age-based and family categories as follows:

Pre-school: 2 years of age and under
 Child: 3 to 12 years inclusive
 Youth: 13 to 18 years inclusive
 Adult: 19 to 64 years inclusive

Seniors: 65 years and up

Family: 1-2 adults of the same household and their children.

To encourage family participation, each person in the family

pays the child rate, subject to a two person minimum.

• An age-based fee structure will be maintained that provides the following general discounts from adult fees for recreation services:

youth and seniors: 30% discountchildren: 50% discount

BACKGROUND

It a Park Board policy that fees and charges for Park Board services be established on a cost recovery basis and at market levels in circumstances where they are provided in competition with the private sector. As part of the budgeting process, the Park Board sets revenue targets from operations.

Fee increases for Recreation Services were most recently approved by the Board in the fall of 2015, with most changes taking effect as of September 2015. Prior to that date, changes to the 2014-2015 Fees & Charges were approved by the Board in the spring of 2015.

DISCUSSION

The purpose of this 2016 Fees and Charges report is to recommend a new fee schedule effective January 1, 2016, for Revenue Service and Parks as outlined in the table below, which complies with Park Board policies, is timed to reflect historical fee change anniversary dates, and reflects market conditions.

Fee Change Effective Date	Type of Fee Changed
January 1, 2016	Parking (in limited locations)Bloedel Conservatory
April 1, 2016	Burrard MarinaVanDusen Botanical Garden

Overview of Recommended Fee Changes

In preparing the recommended 2016 Fees and Charges, staff reviewed comparative market rates, operating costs and impacts to customers. The proposed fees are detailed in Appendix A. Where there is no proposed change from the current pre-tax fees, there is no discussion below. Fees have been rounded to the nearest \$0.25 or \$1.00 for ease of application in many cases and so individual fees may reflect a slightly higher or lower percentage increase than detailed below.

Parking fees

Most proposed parking fees for 2016 have remained unchanged; however, there are specific targeted increases at various locations to align existing parking fees with other Park Board lots and to be competitive with parking fees in the surrounding areas.

On January 1, 2014, a universal hourly rate of \$3.25 was adopted across most Park Board locations, including Stanley Park, Queen Elizabeth Park and Kitsilano Beach Park. For 2016, a stepped increase has been made to move all other lower cost locations up to the \$3.25 universal rate, resulting in the increases outlined in the following table.

Park Board Meeting: December 8, 2015

Parking Fee Increases

Location	2015 Fee	2016 Fee	\$ Incr.
Coal Harbour Community Centre	\$2.75	\$3.25	\$0.50
Roundhouse Community Centre	\$2.75	\$3.25	\$0.50
Burrard Marina (2 hour rate)	\$3.00	\$3.25	\$0.25
Vanier Park (2 hour rate)	\$3.00	\$3.25	\$0.25

In addition, the daily rate at Burrard Marina was increased from \$10.00 to \$11.00.

A recent comparison to parking rates at comparable facilities shows the Park Board parking fees at the low end of the range. See Appendix A for details.

Golf Course Green Fees

Golf fees are set in response to market conditions, which include competitor's rates, relative condition of our courses, environmental conditions, and economic conditions. Green fees in spring of 2016 are proposed to remain unchanged following a 2015 increase of \$1.00 at all courses for adults and seniors. Moreover, green fee pricing is flexible, giving our courses the ability offer specials at certain times of the year and time of day in response to weather conditions, demand, and other factors.

Pitch & Putt green fees have also remained unchanged in 2016, and the Park Board has continued to waive the green fees for Pitch & Putt golf during the winter of 2015-2016.

Marina

Moorage rates at the Burrard Marina are proposed to increase by an inflationary rate of 2.4%. The new rates are still at the low end of the range for other marinas. See Appendix A for details.

VanDusen Botanical Garden

Admissions fees and group rates are proposed to increase by \$0.25 on April 1, 2016. Admission rates for the Christmas Festival of Lights in winter 2016 are proposed to increase by an average of 5%, adjusted for rounding to the nearest \$0.25. We have invested significantly in upgrading the electrical systems to accommodate Festival of Lights, adding five acres and an additional Enchanted Nights event at Bloedel Conservatory, justifying the larger increase.

Public and commercial rental rates are proposed to increase by 2%. Filming rates at VanDusen were increased by 33% to align with other similar civic facilities such as Vancouver Public Library, Roundhouse Community Centre, and Cecil Green Park House, as filming at VanDusen usually requires garden closures resulting in decreased admissions revenue.

Bloedel Conservatory

Effective January 1, 2016, general and group admission fees for Bloedel Conservatory are proposed to increase by 2%.

Park Board Meeting: December 8, 2015

SUMMARY

It is Park Board policy that fees and charges for Park Board services are established on a cost recovery basis and at market levels in circumstances where they are provided in competition with the private sector.

The proposed fee increases have been incorporated into the 2016 Proposed Operating Budget at the estimated value of their contribution to revenues as detailed in the following table.

Description	Amount
Parking	\$ 40,000
Bloedel Conservatory	\$ 12,000
Burrard Marina	\$ 76,000
VanDusen Botanical Garden	\$ 57,000
Total Budget Contribution	\$185,000

The proposed changes for the 2016 Fees and Charges for Revenue Services and Parks (detailed in Appendix A) are consistent with Park Board policy and reflect a careful consideration of the market and customer impacts.

Explanation for Fees changes - Summer/Winter 2016

All admissions rates are proposed to increase by 2-7%, adjusted for rounding to the nearest \$0.25 for admissions, \$1.00 for Festival of Lights.

We have invested significantly in upgrading the electrical systems, primarily for Festival of Lights, justifying the increase in rates.

Public and Commercial Rental rates are proposed to increase by 2-9% in general, with larger increases to align venue pricing where justified.

Filming rates were increased to align with similar facilities including VPL, Roundhouse and Cecil Green. Filming at VanDusen usually requires garden closures resulting in decreased admissions revenue

Charitable and non-profit groups are proposed to receive in 2015 a standard 50% discount from Public and Commercial rental rates, resulting in both increases and decreases to align the rates.

Non-profit rates will be increased over the next 4 years to align with the 25% - 30% consistent non-profit discount rate at other City/Park Board facilities inlcuding the VPL, Creekside Community Centre & The Museum of Vancouver

1st year - 50% off	2015
2nd year - 40% off	2016
3rd year - 35% off	2017
4th year - 30% off	2018

Horticultural groups receive a standard 70% discount from Public and Commercial rental rates for Floral Hall and Cedar Room rentals, resulting in both increases and decreases to align all rates. Horticulture groups will also receive non-profit rates for Visitor's Centre rentals

All fees and charges are shown with 5% GST included. The proposed rate increases have been computed on the fees which include GST.

Since the posted rate at the facilities includes GST, the newly increased proposed rate has been rounded to the nearest \$0.25 for admissions and \$5.00 for rentals.
