MOVED by Commissioner Wiebe  
SECONDED by Commissioner Mackinnon

*Amendment (adding "information provided online, such as" to resolution)*

*Final motion as amended:*

### WHEREAS:

1. The City of Vancouver developed, in 2013, a comprehensive Digital Strategy to create a robust and accessible digital infrastructure that fosters a stronger government ecosystem;
2. In 2015, The Vancouver Park Board implemented the ActiveNet registration and reservation system to better improve online user experience and has greater program registration flexibility;
3. Special events have started to sell tickets online to increase ease; and
4. The Vancouver Park Board [activecommunities.com](http://activecommunities.com) site has increased the ease of booking and helped to maximize our facility usage.

THEREFORE BE IT RESOLVED THAT the Vancouver Board of Parks and Recreation direct staff to enhance the current information provided online, such as increasing the ease to book at a Park Board or partnering facility, viewing a digital map, accessing event information, buying a ticket or sending an enquiry.
