

GENERAL MANAGER'S REPORT

Regular Park Board Meeting
Monday, December 3, 2018

One of the Core Action Areas is “Healthy and vigorous natural assets” which will focus on supporting implementation of the Urban Forest Strategy actions for climate change, moving urban forest maintenance from reactive to proactive standard of excellence, soil preservation and water quality.

Council Business – Draft 2019 Budget and Five-Year Financial Plan

The Draft 2019 Budget and Five-Year Financial Plan will be presented to Council for consideration at a Special Council meeting on December 11, 2018, with the vote on the final budget scheduled for the December 18 Council Regular meeting.
