AGENDA ITEMS

1. REPORT: Air Force Garden of Remembrance – Relocation Plan

The Chair advised that a letter in support of the recommendation has been received and forwarded to all Commissioners.

Dave Hutch, Acting Director of Park Planning and Development, Park Board, introduced:

- Emily Dunlop, Planner II, Planning and Research, Park Board
- Rena Soutar, Cultural Planner, Park Board.

Ms. Dunlop led the review of a presentation on the proposed relocation of the Air Force Garden of Remembrance and highlighted:

- Background of the Air Force Garden of Remembrance
- Increased demand for space for plaques
- Rationale for new garden and location

- Opportunity to relocate the garden to Queen Elizabeth Park
- Endorsement of the relocation by the Battle of Britain Memorial Fund.

Mr. Hutch, along with Malcolm Bromley, General Manager, Park Board, and Ms. Dunlop, responded to questions from the Committee. There was discussion on:

- Efforts will be made to relocate the Air Force Garden of Remembrance by the September 2019 Battle of Britain memorial parade
- Trees that are in good health will be relocated
- Integration with the Queen Elizabeth master planning process
- Suggestion to undertake a digital mapping project of the existing site.

MOVED by Commissioner Mackinnon
SECONDED by Commissioner Coupar

THAT the Committee recommend to the Board:

- A. THAT the Vancouver Park Board approve the relocation of the Air Force Garden of Remembrance in Stanley Park to Queen Elizabeth Park; and
- B. THAT the Vancouver Park Board direct staff to work with the Battle of Britain Memorial Fund to develop options for a new garden plan in Queen Elizabeth Park, as outlined in this report.

CARRIED UNANIMOUSLY

The Committee adjourned at 7:16 pm.

MOTIONS ON NOTICE

1. Support of #AllOnBoard Campaign for No Transit Fares for Youth

Commissioner Irwin introduced the motion and remarked that the motion mirrors the Council motion supporting the reduction in transit fares for youth. Commissioner Irwin responded to questions from the Board.

MOVED by Commissioner Irwin
SECONDED by Commissioner Giesbrecht

WHEREAS:

1. The Vancouver Park Board has recognized and has demonstrated over the past years its commitment to the health and well-being of its residents;
2. The lack of transportation is one of the most common reasons for people living on low incomes and for average families to not be able to access Park Board facilities, including beaches; and
3. That lack of transportation is a significant barrier accessing community centres and other services and leads to social exclusion of low income adults and youth.

THEREFORE BE IT RESOLVED:

- A. THAT the Vancouver Park Board endorse the #AllOnBoard Campaign and write a letter to: the TransLink Mayors' Council on Regional Transportation; the Board of Directors of TransLink; the Ministry of Municipal Affairs and Housing; and the Ministry of Social Development and Poverty Reduction asking TransLink to work with the provincial government to finalize and secure funding, and to develop a plan that will provide free public transit for minors (aged 0-18) and reduced price transit based on a sliding scale using the Market Basket Measure for all low-income people regardless of their demographic profile as soon as possible; and
- B. THAT the Vancouver Park Board write a separate letter to the Mayors' Council on Regional Transportation asking them to 1) require TransLink to adopt a poverty reduction/equity mandate in order to address the outstanding issue of lack of affordability measures to ensure those who need public transit the most can access the essential service, and 2) request the Mayors' Council on Regional Transportation and TransLink to immediately, without delay: amend existing by-laws and cease ticketing of all minors for fare evasion as the first step towards the full implementation of free transit for children and youth 0-18; unlink ICBC from fare evasion for youth and adults; and cease ticketing adults.

The amendment was separated into distinct propositions.

Question on Item A

THEREFORE BE IT RESOLVED THAT the Vancouver Park Board endorse the #AllOnBoard Campaign and write a letter to: the TransLink Mayors' Council on Regional Transportation; the Board of Directors of TransLink; the Ministry of Municipal Affairs and Housing; and the Ministry of Social Development and Poverty Reduction asking TransLink to work with the provincial government to finalize and secure funding, and to

develop a plan that will provide free public transit for minors (aged 0-18) and reduced price transit based on a sliding scale using the Market Basket Measure for all low-income people regardless of their demographic profile as soon as possible.

CARRIED UNANIMOUSLY

Question on Item B

THEREFORE BE IT RESOLVED THAT the Vancouver Park Board write a separate letter to the Mayors' Council on Regional Transportation asking them to 1) require TransLink to adopt a poverty reduction/equity mandate in order to address the outstanding issue of lack of affordability measures to ensure those who need public transit the most can access the essential service, and 2) request the Mayors' Council on Regional Transportation and TransLink to immediately, without delay: amend existing by-laws and cease ticketing of all minors for fare evasion as the first step towards the full implementation of free transit for children and youth 0-18; unlink ICBC from fare evasion for youth and adults; and cease ticketing adults

In favour: Demers, Dumont, Giesbrecht, Irwin and Mackinnon

Opposed: Barker and Coupar

2. Renewal Strategy for Landscape Equipment – Towards an Emission-Free Reality

Commissioner Demers introduced the motion and commented on the need to transition from gas-powered landscape maintenance equipment to emission-free engines. Commissioner Demers responded to questions from the Board.

MOVED by Commissioner Demers

SECONDED by Commissioner Dumont

WHEREAS:

1. The excessive use of fossil fuel threatens our planet and puts the City of Vancouver and its shoreline at great risk;
2. The maintenance of our green spaces relies heavily on the use of gas-powered equipment;
3. Gas-powered equipment, and in particular two-stroke engines, produce carcinogenic exhaust and greenhouse gases, exposure to which is a health concern for Park Board workers and the population in general;
4. Two-stroke engines account for the vast majority of fine particulate pollution in landscape maintenance activities;
5. Gas-powered engines cause noise levels that often surpass the maximum allowed in certain residential areas;
6. The handling and transportation of gas and oil required by conventional equipment is hazardous to Park Board workers and the environment;

7. The greater purchasing price for battery-powered equipment can be recouped with savings in the gas, oil, and general maintenance required by conventional gas-powered equipment;
8. Battery-powered equipment is easier to use, creates less vibration, less noise, no emission of any kind, and is often lighter than its conventional counterpart; and
9. Technology for battery-powered equipment is continuing to improve rapidly and is expected to soon match the output of conventional equipment.

THEREFORE BE IT RESOLVED:

- A. THAT the Vancouver Park Board direct staff to develop a transition plan to replace gas-powered landscape maintenance equipment with emission-free equivalents or quasi-equivalents where possible;
- B. THAT the transition plan include financial considerations, including purchase, usage, maintenance and end-of-life replacement costs, as well as ways to quantify/qualify non-financial benefits such as: carbon emission reduction; disposal of refuse oil and other parts; satisfaction/productivity of staff; and satisfaction of citizens; and
- C. THAT staff report back to the Board with their findings and recommendations.

Amendment to the Motion

MOVED by Commissioner Demers
SECONDED by Commissioner Coupar

THAT Item C be amended to:

- C. THAT staff build upon the August 2018 Greenest City Scholars study on reducing the Park Board's emissions and report back to the Board with their findings and recommendations.

CARRIED UNANIMOUSLY

Amendment to the Motion

MOVED by Commissioner Giesbrecht

NOTICE OF MOTIONS

1. Future of the 420 Cannabis Event

Commissioner Barker gave notice of motion on the following:

THEREFORE BE IT RESOLVED:

- A. THAT based on the new legal framework now in place, the Vancouver Park Board direct staff to explore options available to preclude sale of cannabis and cannabis related products at the upcoming 2019 - 420 event;
- B. THAT staff send a letter to Mayor Kennedy Stewart and Vancouver City Council to request a continuation of the exploration of alternate venues within the City of Vancouver in order to move this event to a more appropriate location that will not

cause disruption to West End area residents, seawall users and Vancouver Aquatic Centre patrons, with the goal of having this event relocated by 2020; and

- C. THAT staff prioritize all possible means to minimize impacts on local residents in regard to air quality, noise and music levels, traffic disruption, and restricted access to the seawall.

NEW BUSINESS

Commissioner Coupar advised that the Canadian Club of Vancouver is planning a flag raising event at 9:00 a.m. on February 15, 2019, at which the Honourable Janet Austin, Lieutenant Governor of British Columbia, will be in attendance.

ENQUIRIES

1. A Board member enquired regarding the progress of the BC Hydro sub-station planned for Nelson Park and when it might be considered by the Park Board.
2. A Board member enquired if the Park Board has jurisdiction to remove homeless residents who are camping in Oppenheimer Park.
3. A Board member enquired regarding plans and timing to repair the Harbour Green walkway and public boat dock.
4. A Board member enquired regarding the status, process and timeline of the proposed concept to improve the Seaside Greenway at Kitsilano Beach that was referred back to staff at the March 12, 2018 Park Board meeting.

ADJOURNMENT

There being no further business, the meeting was adjourned.

The Board adjourned at 9:09 pm.
