

# GENERAL MANAGER'S REPORT

Regular Park Board Meeting  
February 11, 2019

- Construction contract has been awarded and is scheduled to begin in April
- Park features the following:
  - plaza
  - woodland planting
  - communal harvest table
  - flexible open spaces

# Langara Golf Course– Vandalism of Trees

More than 60 trees have been vandalized with tops sawed off at Langara Golf Course.

Staff have posted warning signage at Jericho, Trout Lake, Lost Lagoon and Queen Elizabeth, Everett Crowley and Vanier parks.

# Council Business: False Creek Water Quality Improvement Initiative

The City and Park Board have implemented a suite of initiatives to reduce pollution resulting from sewage from boats. On February 13, 2019, City Council will receive a report on improving water quality in False Creek that includes a recommendation that the City continue to provide a seasonal mobile pump-out service through to the 2024 boating season.
