

COMMISSIONER ENQUIRIES - SUMMARY REPORT

Date Received	Topic	Summary of Request	Board Update	Status
Feb 11/19	Fraser River Park Boardwalk	A Board member shared a request for the Park Board to improve the wheelchair accessibility of the path in Fraser River Park that connects the boardwalks.	Staff have reviewed the gravel pathways in Fraser River Park and confirmed they are in need of maintenance and repairs to ensure safe transitions from the paths to the boardwalks. These repairs will be undertaken when the weather improves in the spring. Boardwalk repairs are targeted for late 2019 or early 2020.	IN PROCESS
