

GENERAL MANAGER'S REPORT

Regular Park Board Meeting
March 11, 2019

Burrard Marina Upgrades

- Remaining sections of the new floats have been built
- New floats and new pilings will be installed week of March 11
- Substantial completion expected by April 1, 2019

Cedar Cottage Park

- Playground renewal includes: replacement of tennis courts with a smaller sport court, pathways, more green space, new rain water feature, re-grading of new court to improve access and safety
- Construction drawings 75% complete; tendering expected in Q2; construction in Q3

- Park Board staff working with Dr. Sun-Yat Sen Garden Society, Chinese Cultural Center and Chinatown Transformation Team to animate and improve the public courtyard.
- In February, LED string lights throughout the courtyard and decorative wraps on the doors were installed.
- New gates are being custom-designed to allow for night time closure of the plaza.
- Public engagement about the gates targeted for late April.

Pacific Great Blue Herons have started returning to their colony next to the Park Board office; HeronCam in partnership with the Stanley Park Ecology Society will be launched in the coming week.

- The remaining landscaping and exterior work will be completed week of March 11.
- Completion and occupancy expected for May 2019.

Council Business – Community Sport Hosting Grants

March 12, 2019 - Council will be receiving a report recommending approval of 8 new Community Sport Hosting Grants totaling \$ 29,033.
