

# GENERAL MANAGER'S REPORT

Regular Park Board Meeting  
April 1, 2019

- Larvicide treatment will commence this week; first park to be treated will be David Lam on Sunday, April 7, followed by parks in the West End, Downtown, Strathcona, Mount Pleasant, Fairview and Kitsilano neighborhoods.
- No park will be closed during treatment; Park Board staff will be on site to ensure people/pets stay off the treated areas.

# Heron Cam Update

The Heron Cam, in partnership with the Stanley Park Ecology Society, was launched last week and has had more than 7,000 visits

April 2, 2019 - Council will be considering a Motion on Notice – Shore to Shore Greenway Plan.
