

COMMISSIONER ENQUIRIES - SUMMARY REPORT

Date Received	Topic	Summary of Request	Board Update	Status
Apr 01/19	Celebration Pavilion in QE Park - Non-profit Use	A Board member asked if non-profit access and use of the Celebration Pavilion was considered for a proposed innovative school educational program to engage Eastside children, and if so, was it cancelled due to dedicating the public space to a private wedding contractor.	The Park Board went through a public procurement and evaluation process in 2009 before awarding a contract to The Chapel Group for the operation and management of the Celebration Pavilion in QE Park. Staff do not recall receiving a proposal for any innovative school program as referenced in the enquiry.	COMPLETE
Apr 01/19	Occupational Health & Safety Review	A Board member requested information on the timing and outcomes of the Park Board's most recent overall workplace occupational health and safety review.	The Park Board has not recently undergone an overall workplace occupational health and safety review, however OH&S staff are currently conducting a safety management system audit of five recreation centres that is expected to be complete by the end of April. Additionally, the Park Board has established six Joint OH&S Committees for its various functional business units. These committees are comprised of worker and employer representatives who meet on a monthly basis to identify and resolve health and safety issues in the workplace. The committees are the principal forum for discussion, improvement, and effective communication to the leadership group with respect to OH&S matters.	COMPLETE
