

GENERAL MANAGER'S REPORT

Regular Park Board Meeting
Monday, February 24, 2020

Request for Proposal

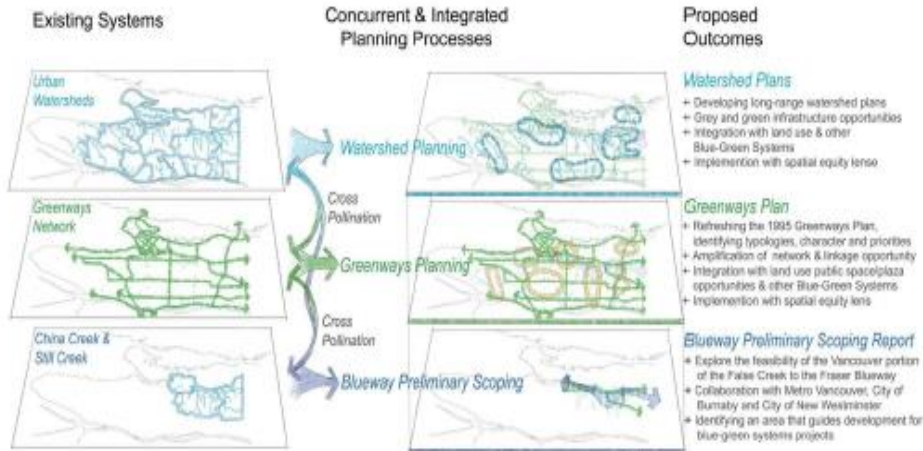

Figure 2: Connected Blue-Green Systems Conceptual Diagram

- Collaboration between Park Board and Engineering Services' Green Infrastructure branch
- As described in [VanPlay Implementation – One Water Initiative](#) report to the Board of Feb 10, 2020.

- Master Plan and Preliminary Design Concepts for Alberta Street Blue-Green System and Columbia Park Renewal
- A Request for Proposal (RFP) will be publicly in the next few weeks

Items of Park Board interest on upcoming Council agendas include:

- A report regarding Quarterly Capital Budget Adjustments and Closeouts recommending Council to:
 - Approve budget and funding adjustments totaling a net increase of \$8.4 million to the Multi-Year Capital Projects Budget;
 - Increase the 2019-2022 Capital Plan by \$.2 million from external funding; and
 - Approve the closeout of one capital project that was completed with a surplus exceeding \$200,000.

Date	Topic
Feb 14	Sun Yat-Sen Courtyard Project Update
Feb 14	Harbour Green Dock
Feb 24	“Uninterrupted” Cinematic Event in Coopers’ Park
