

PARK BOARD SPECIAL e-MEETING

Thursday, June 18, 2020 @ 6:30pm

CORRESPONDENCE SUMMARY

The below table provides a summary of correspondence received in the General Manager's Office, from June 15, 2020 to June 18, 2020 at 12:00 noon. All correspondence has been sent directly to Commissioners.

Topic	Oppose	Neutral	Support	TOTAL
Reopening Stanley Park to pre Covid-19 Transportation & Access Plan	187*		42	229
Allow access to cars in Stanley Park (at least one lane)			44	44
Close Stanley Park to motor vehicles			16	16
General Comments (did not clearly state position)		21		21
Total	187	21	102	310**

NOTES:

* the majority of those that opposed the motion indicated they support one lane for cars and one lane for cyclists

** automated email campaigns (same subject/message) are blocked as they are disruptive to service/network; organizations are encouraged to manage their own campaigns and send as one summarized submission

A petition was received from HUB Cycling requesting a dedicated lane for cyclists with 1,660 signatures.

A petition with 15,000 signatures supporting the motion was submitted to the Park Board

91 emails were received after the noon cut-off; 46 emails were received supporting the reopening of Stanley Park to pre Covid-19 Transportation & Access Plan, 39 emails were received supporting reduced vehicles or one lane access to Stanley Park and 6 emails were received with general comments.
