Sport Field Strategy – Request for Proposal

- A public RFP for the Sport Field Strategy will be posted within the next week.
- Building on VanPlay, the strategy aims to guide improving the quality, quantity, use and access of our outdoor sport facilities and amenities.
- The successful Consultant will work closely with Park Board staff to develop:
 - Overall strategy for Vancouver sport fields, including existing and new sports fields and diamonds.
 - Outdoor Facility Allocation and Management Policy.
 - Financial plan, including funding models, user fees, and costing recommendations.
 - Implementation plan, including short, medium, & long-term actions.
 - Multi-phased public engagement process.
- Draft for Board decision expected in Q2 of 2022.

Herring Habitat at Harbour Green Dock

- The Squamish Streamkeepers have transferred six nets with herring eggs on them from False Creek to the Harbour Green Park dock in Coal Harbour with the intention of bringing the herring back to Coal Harbour where they traditionally spawned.
- Herring mature at 3 years so we will have to wait until 2024 to know if these herring will successfully spawn at this location.

Standing Committee on City Finance and Services March 31, 2021

- A report back on Council Motion “Beyond 2010: Consideration for the City of Vancouver to Participate in a Future Olympic Winter Games Bid.”
