MOVED by Commissioner Howard
SECONDED by Commissioner Jensen

WHEREAS:

1. In the [2023 Fees & Charges report](#) approved by the Board in February 2023, the Jericho Sailing Centre was not provided an option to purchase a Low Season parking pass in Jericho Beach Park for the period October 1, 2023 to March 31, 2024.
2. The marine recreation users of Vanier Park and Stanley Park have the option to purchase Low Season parking passes to facilitate access to Coal Harbour and the Georgia Straight.
3. Many Vancouverites enjoy the use of this accessible facility year-round and the lack of a Low Season parking pass will have an adverse impact on facility access.

THEREFORE BE IT RESOLVED:

- A. THAT the Board of Parks and Recreation, effective immediately, approves a new off-season usage (October 1, 2023 to March 31, 2024) parking pass at Jericho Lot (Lot 69); and
- B. FURTHER THAT the General Manager has delegated authority to establish an appropriate price for the off-season parking pass for the 2023 year. Future off-season parking pass price setting will align with the usual Board fees and charges process.
