September 25, 2023	Nelson Park – BC Hydro Construction Timeline and Park Use Limitation	Commissioner Digby	Can staff provide an update on timelines and scope of limitation on use in Nelson Park due to BC Hydro construction?	The first step in the BC Hydro Substation construction adjacent to Nelson Park on the Lord Roberts Annex school site is the demolition of the existing school. This is scheduled to begin after the opening of the new Coal Harbour School in the fall of 2024 at the soonest. Impacts to Nelson Park, and limitations to the use of Nelson Park during the construction period as well as remedies are described in the BC Hydro Request for Rights of Way in Nelson Park Board Report dated February 2, 2022, The report is available at: <a href="https://parkboardmeetings.vancouver.ca/2022/20220207/REPORT-BCHydroRequestROWNelsonPark-20220207.pdf">https://parkboardmeetings.vancouver.ca/2022/20220207/REPORT-BCHydroRequestROWNelsonPark-20220207.pdf</a>
