Found here: https://www.translink.ca/plans-and-projects/strategies-plans-and-guidelines/area-transport-planning/burrard-peninsula	Staff expect to bring a report to the Board for decision on the Stanley Park Mobility Study in Q2, 2025. Staff have been communicating with TransLink staff over the course of the Study process, and there is alignment between the report's recommendations and TransLink proposals. Staff recommend commissioners wait until after the staff report is presented to the board to engage with TransLink.
