MEMO TO : Park Board Commissioners

FROM : Director, Recreation Services
Director, Facilities Maintenance and Operational Excellence

SUBJECT : **Kerrisdale Pool – Opening Update - Board Briefing Memo**

Dear Commissioners,

The purpose of this memo is to provide an update on the opening of Kerrisdale Pool. Previous memos on the topic were issued on [January 16](#) , [February 13](#), [March 6](#) , [May 7](#) and [June 11, 2026](#).

Project Update

After extensive testing and repairs to the main drain, surge tank, and expansion joint, Kerrisdale Pool is expected to open to the public on Tuesday, September 1, 2026.

Project Scope

Following the most recent repair of the expansion joint, the pool has now been filled, and work is ongoing to clean, heat, and treat the pool water while staff prepare the site for operation. Once the pool is in operating condition, Vancouver Coastal Health will attend the prerequisite inspection to permit the facility's operation. Pending a successful inspection, the facility will be ready to open.

Communication will be updated accordingly through regular communication channels.
