Good Afternoon Commissioners,

In advance of the planned protests scheduled for Sunday at Sunset Beach, please be advised that Park Board staff have been working closely with VPD to be coordinated in efforts to mitigate associated risks. Staff have been in contact with the organizers in advance to share expectations and bylaw rules associated with the space. Park Board will have Park Rangers available during the event, and VPD have committed to dedicated resources for this event. Our hope remains that this protest remains peaceful and adheres to Park Board bylaws.

In an effort to prevent the setup of staging or other infrastructure on the field space, the parking lots at Sunset Beach as well as the further west Jervis lot will remain closed and gates locked.

If you receive any comments or concerns, please direct these to 3-1-1.

Thank you.

Donnie
