Subject: Update on Provincial announcement
Date: Wednesday, September 01, 2021 7:12:27 PM

Good evening Commissioners,

This note is to advise you that the Province has not yet communicated its action plan and approach to management of the coyote population in Stanley Park. We anticipate there will be an announcement tomorrow, and are working with their communications team in the morning to provide any support or alignment that may be required.

We will share any updates on the timing and details of the announcement when they become available.

Sincerely,

Christine
