

Park Board Directions

PARKS AND RECREATION FOR ALL - Accessible, diverse and quality amenities and services that encourage participation and meet current and future needs.

LEADER IN GREENING - Through our actions we demonstrate leading green practices and preserve, protect and create green space.

ENGAGING PEOPLE - Working openly together to understand and achieve goals and strengthen relationships.

EXCELLENCE IN RESOURCE MANAGEMENT - Use existing resources efficiently and effectively, and be innovative in developing additional resources to deliver best value for money and meet community needs.
